

## Extended TAT for Hemoglobin A1C Test Results (Test Order Code LAB8266)

August 2022

**Effective immediately**, ACL Laboratories will have an extended turnaround time for Hemoglobin A1C (Test Order Code LAB8266) test results. Turnaround time for Hemoglobin A1C (Test Order Code LAB8266) will be increased from 24 hours up to 7 days due to reagent allocation and supply chain challenges.

If you have a critical need for a Hemoglobin A1C result or have additional questions, please reach out to ACL Client Services at 1.800.877.7016.
